▼ Colorado Caravan Launch Point: Where: Dirt parking lot off I-70E EXIT 361, Limon CO. Exact Coordinates 39.263794, -103.670216. When: MEET 8am. Departing from this location on 01/04 by 9AM. (Be there before 9AM). How: via I-70 - I-64 What: The townspeople and LEO of Limon will be giving us a warm send-off. You don't have to worry about leftists being there (it's too early for them anyway). This plan means we will be able to sleep 7-8 hours in Louisville, KY. And then leave Louisville at 9am 01/05, and arrive in D.C. at 6pm 01/05.
